Sir:

REMARKS

The instant application is related to copending and commonly assigned U.S. Patent Application Serial No. 09/549,119. The instant application claims benefit under 35 U.S.C. 120 of Serial No. 09/549,119 which is the parent to the instant application. Applicants state that no item of information contained in the attached information disclosure statement was cited in a communication from a foreign

patent office in a counterpart foreign application, and, to the knowledge of Applicants' attorney, the items of information correspond to those cited on the Form PTO-892 in Serial No. '119 and no newly cited item of information contained in the Supplemental Information Disclosure Statement was known to any individual identified in 37 C.F.R. 1.56(c) more than three months prior to filing of this Supplemental Information Disclosure Statement.

Should there any fee due in connection with the instant application, please charge the same to Deposit Account No. 15-0680 (Orscheln Management Co.). Should the Examiner deem that any further action on the part of Applicants would advance prosecution of this application, the Examiner is invited to telephone Applicants' attorney.
